

# Hack your Routes:

Streets and Spaces 101

What is your favourite place to walk/bike?  
OR  
What is your favourite outdoor space?

Looks like... Smells like... Feels like...

Favorite Routes/Spaces / Worksheet Sheet 1

Outdoor Culture

What is your favourite place to walk/bike?  
OR What is your favourite outdoor space?  
(Describe in words)

What does it look like?  
(Draw it)

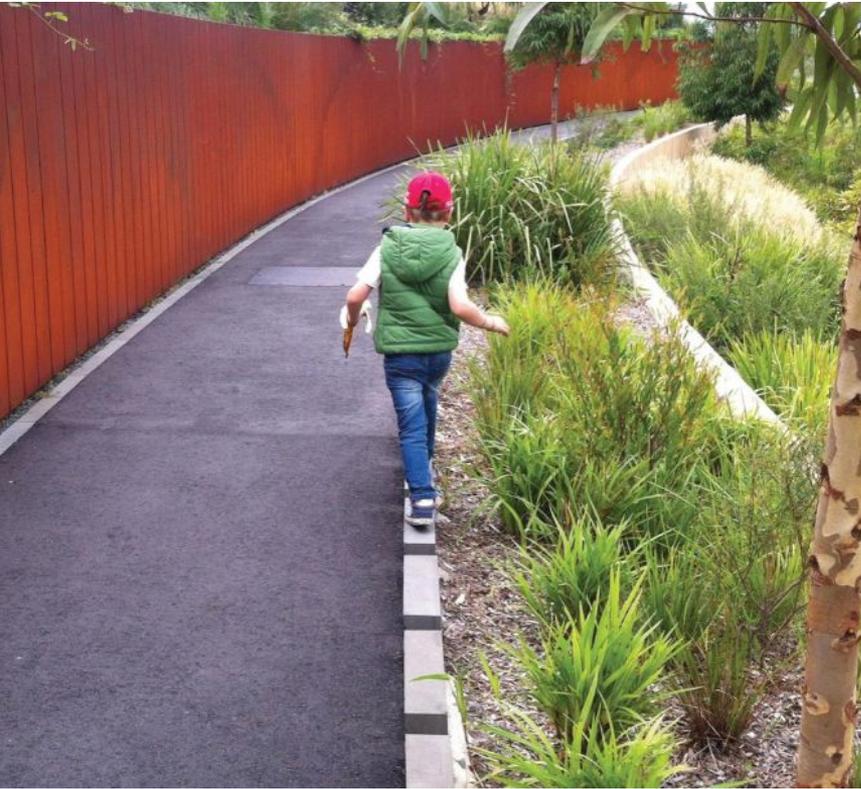

What does it sound like?  
(Describe in words)

What does it smell like?  
(Describe in words)

What does it feel like?  
(Describe in words)

# What is Hack your Routes?

What will we be doing today?

Complete Street

Residential Street

Hack your Routes: Streets and Spaces 101/Chicanes, Raised Crosswalks and Curbs

Bike Lanes

Chicanes

Curb Bump-outs

“Woonerf”

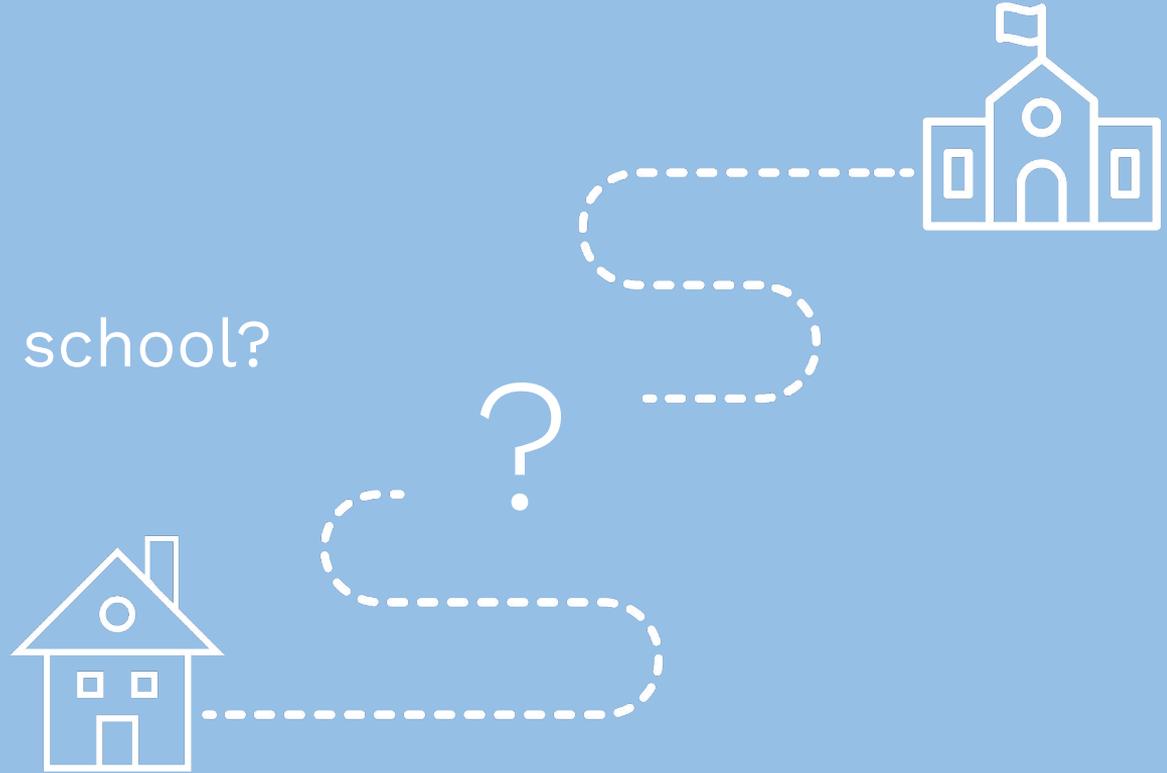

“Caboodle”

Video: how do other countries slow cars down to protect people?

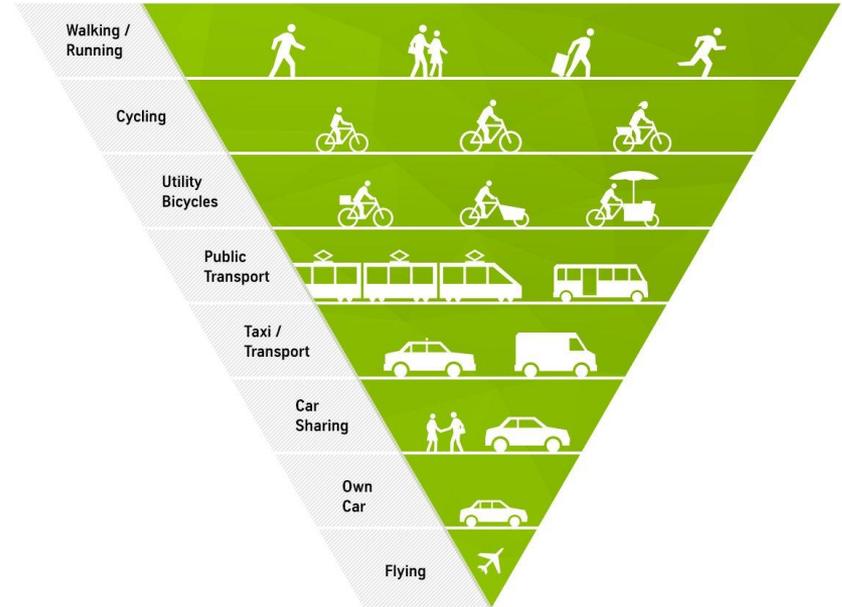

How do you get to school?

Active travel is good for the environment! Why?

## Video: Climate Change

Sustainable Transportation Pyramid

What does design have to do with it?

Lazy but curious!

# What encourages active transportation?

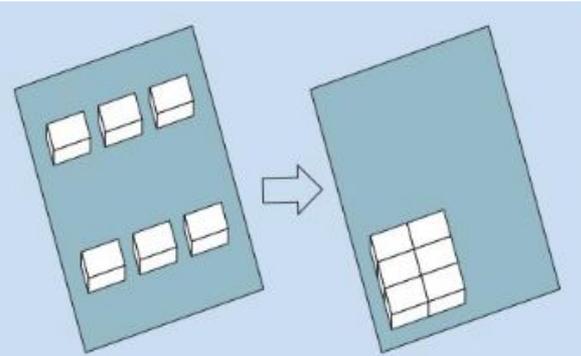

Uncomfortable drivers

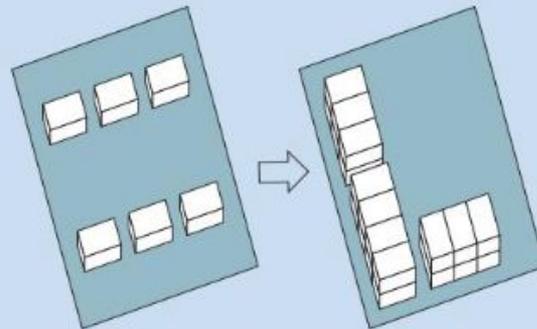

What encourages  
active transportation?

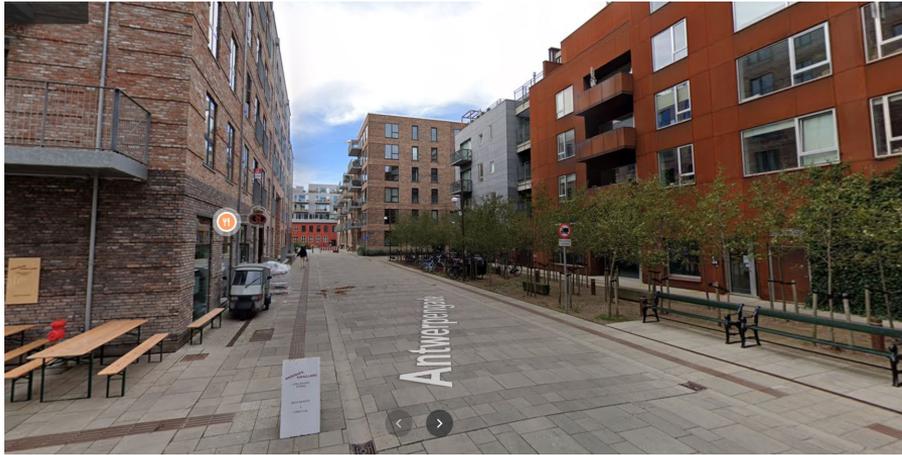

**Diagram 1:** Increased density can mean fitting the same amount of people on a smaller amount of land.

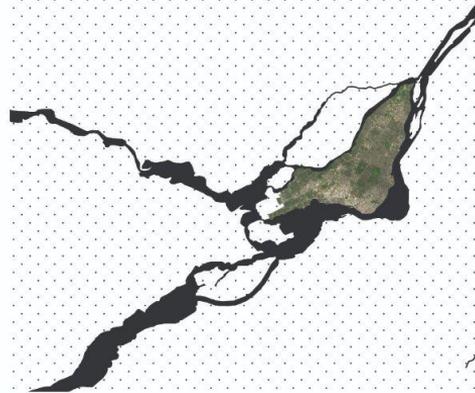

**Diagram 2:** Increased density can also mean fitting a larger amount of people on the same amount of land.

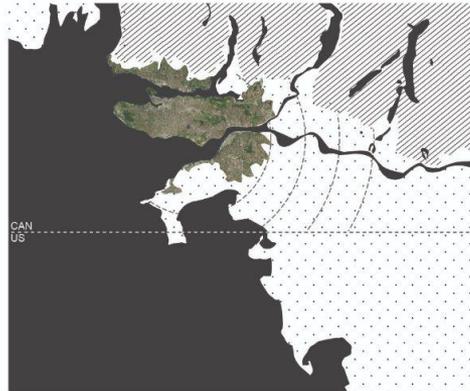

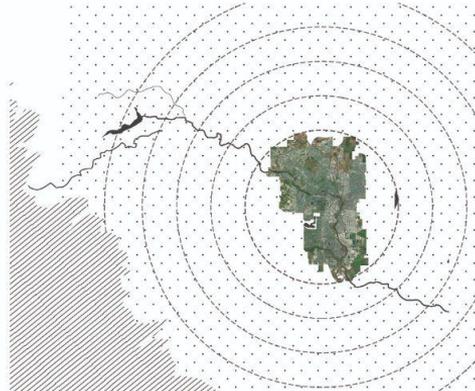

Manhattan, NY

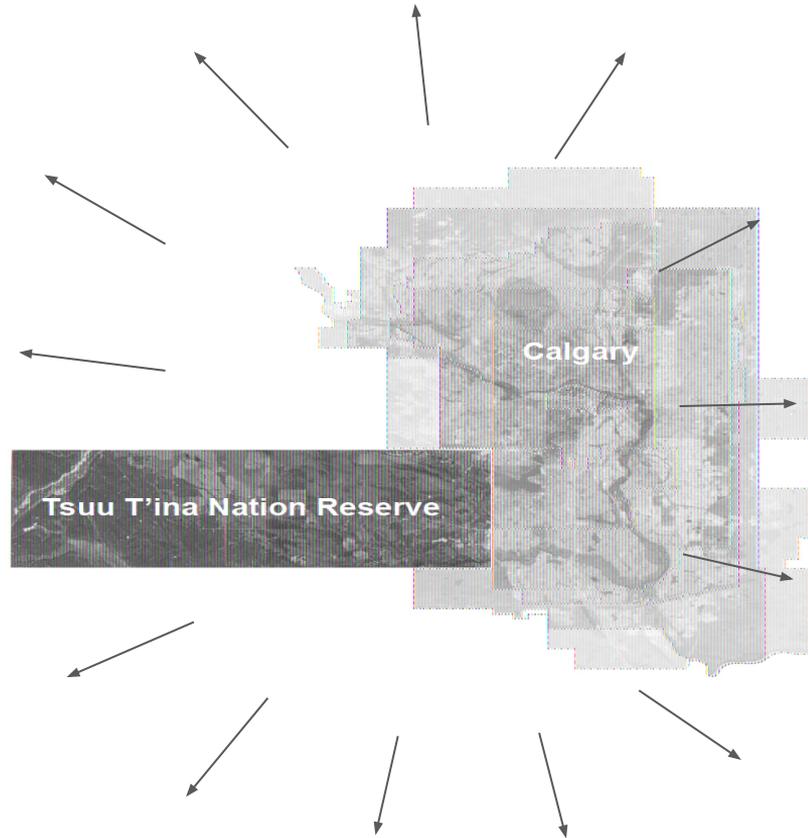

Montreal

Vancouver

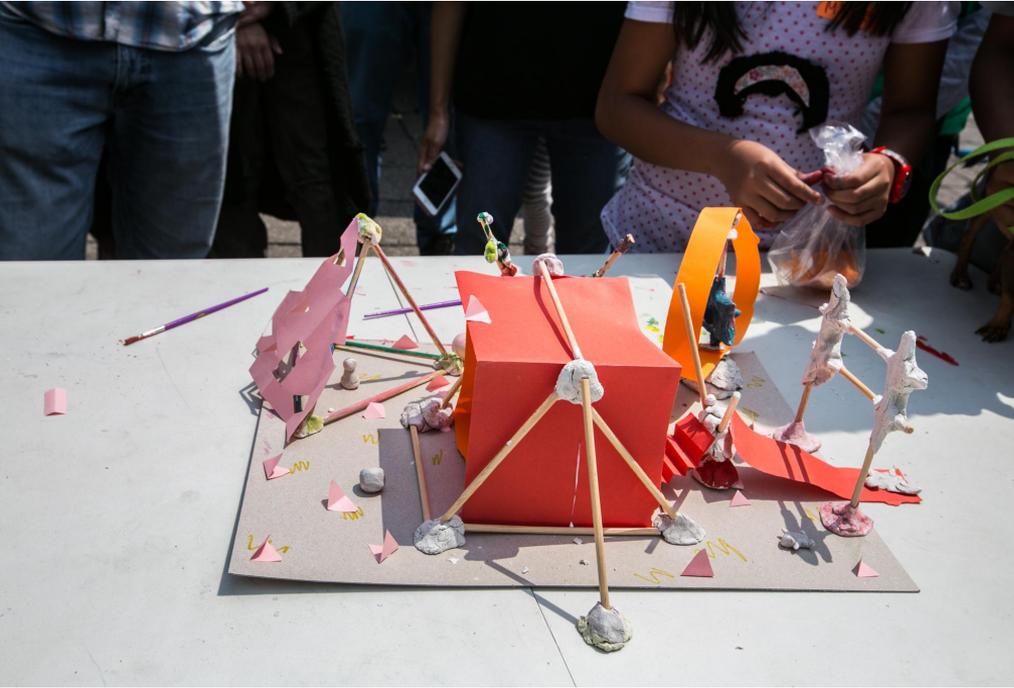

Calgary

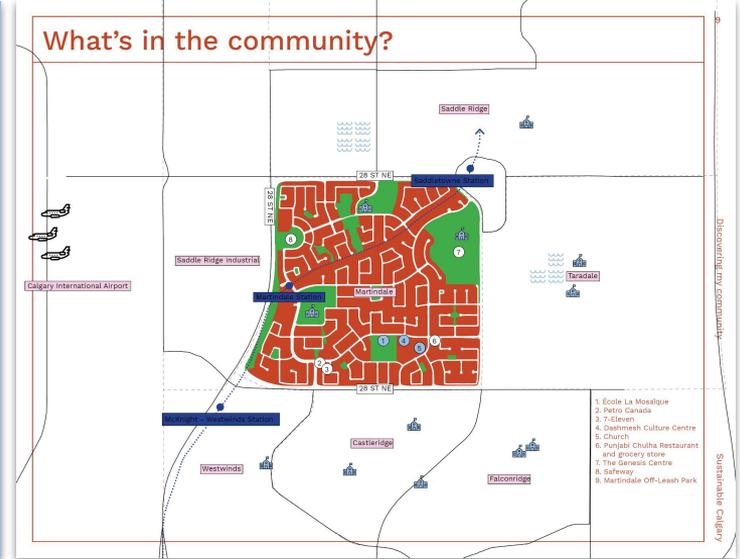

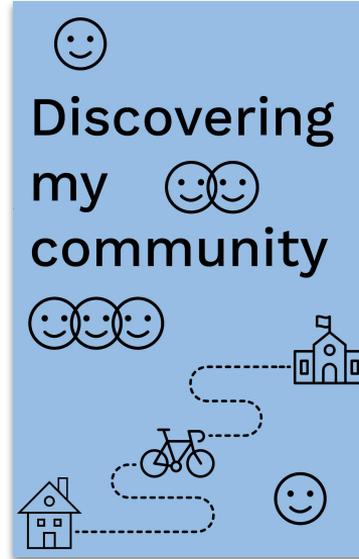

In our next session...

Hack Your Routes Workshop

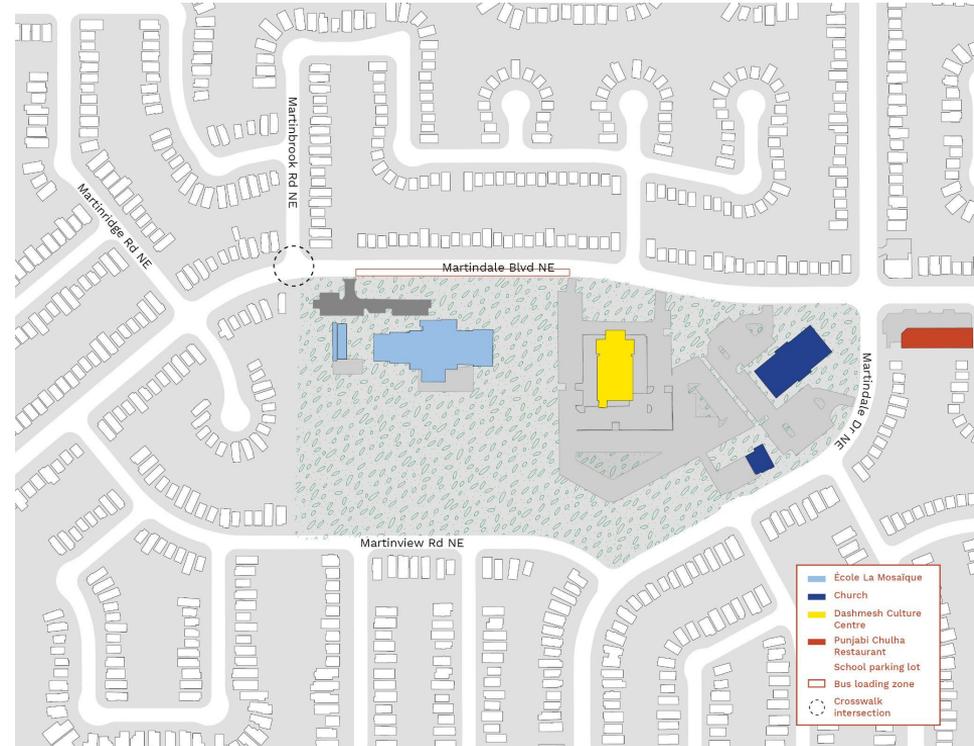

# 1. Review Booklet

2. Identify your favorite/  
non-favorite places and  
select one priority  
location to design in the  
next session!

### 3. Prepare materials to build a 3D-model!

List of materials we will be providing:

- Play Doh or clay
- Rounded wooden sticks
- Paint
- Sheets of colored paper

List of materials you can start collecting and bringing to the next session:

- Markers, pencil and crayons
- More paper
- Yarn or pieces of fabric
- Cardboard boxes
- Paper rolls
- Leaves or branches from your yard or closest park!

## 4. Finish homework sheet

The homework sheet is a red-bordered form with five question boxes. The top-left box asks for a favorite place to walk/bike or an outdoor space. The top-right box asks for a drawing of what it looks like. The bottom row contains three boxes asking about sound, smell, and feel. A bicycle icon and a building icon are connected to the bottom boxes by dashed lines. The sheet is titled 'Favorite Routes/Spaces Homework Sheet' and 'Outdoor Culture'.

What is your favourite place to walk/bike? OR What is your favourite outdoor space? (Describe in words)	What does it look like? (Draw it)	
What does it sound like? (Describe in words)	What does it smell like? (Describe in words)	What does it feel like? (Describe in words)
